

Cantilever Shelving

Fold-Up Shelving Solutions for Commercial Vans

Superior Space Utilization for Fast, Flexible Deliveries.

Safe, Intuitive, & Ergonomic Operation

Experience easy operation through a reliable dual-latch system that holds each shelf securely in place while stowed or deployed

Flexible Storage

Maximize available space with the option to stow shelves in a vertical position when not in use

Durable Design

Strong, yet lightweight aluminum design yields increased payload and achieving 60 lbs. per linear ft. weight capacity

Quick & Easy Installation

Avoid the headaches with convenient installation through pre-assembled components

Cantilever Shelving

Fold-Up Shelving Solutions for RAM ProMaster

LOW & HIGH ROOF

Improve productivity and protect drivers and deliveries with advanced features:

- Inset uprights maximize shelf width and eliminate gaps between shelves to use every inch of the interior
- No side supports to hinder package loading and unloading
- Heavy-duty stainless hinge design supports up to a 4G dynamic load rating
- Reliable, dual latch stow system eliminates accidental deployment and provides effortless operation
- Rubber grommets reduce rattling, minimizing driver distraction and fatigue
- Uprights install through the floor and top rail, maintaining a smooth sidewall for brand decals
- Patented, durable design is elegant in its simplicity while achieving 60 lbs. per linear ft. weight capacity
