DeployPro

For GMC Savana

Maximize the safety and carrying capacity of your GMC Savana's rack with a DeployPro.

Easy to Use

Integrated hydraulic cylinder for controlled ladder deployment and gas assisted lift for easy stowing

Enhance Safety

Stow and deploy ladders from the rear of the vehicle, safely away from potential road hazards

Improve productivity

Users feet stay safely on the ground, eliminates the need to climb on bumper or tire

Quick Installation

Rack assembly comes pre-assembled for a Quick up-fit with adjustable ladder support bars to fit your fleet vehicle and various ladders
