

Cantilever Shelving

Fold-Up Shelving Solutions for Box Trucks

Superior Space Utilization for Fast, Flexible Deliveries.

Safe, Intuitive, & Ergonomic Operation

Experience easy operation through a reliable dual-latch system that holds each shelf securely in place while stowed or deployed

Flexible Storage

Maximize available space with the option to stow shelves in a vertical position when not in use

Durable Design

Strong, yet lightweight aluminum design yields increased payload and achieving 60 lbs. per linear ft. weight capacity

Quick & Easy Installation

Avoid the headaches with convenient installation through pre-assembled components

Cantilever Shelving

Flexible Shelving Solutions for Box Trucks

Improve productivity and protect drivers and deliveries with advanced features:

- Inset uprights maximize shelf width and eliminate gaps between shelves to use every inch of the interior
- No side supports to hinder package loading and unloading
- Heavy-duty stainless hinge design supports up to a 4G dynamic load rating
- Reliable, dual latch stow system eliminates accidental deployment and provides effortless operation
- Rubber grommets reduce rattling, minimizing driver distraction and fatigue
- Uprights install through the floor and top rail, maintaining a smooth sidewall for brand decals
- Patented, durable design is elegant in its simplicity while achieving 60 lbs. per linear ft. weight capacity

Shelves there when you need them and away when you need space in the cargo area.

Integrated latch system with rubber grommets for easy deployment and anti-rattle securement of shelf.

Supports designed for quick installation and eliminate fasteners through the sidewall
